

Heritage Guild

Secure the Future for Wildlife

It Begins Here

With you by our side, we're **saving, protecting, and caring for wildlife**. Our work begins in San Diego, and spans the globe. We care for nearly **16,000 animals** and more than **2 million plants** at the San Diego Zoo and San Diego Zoo Safari Park. And in **eight key regions worldwide**, we use that expertise to collaborate with partners to secure the future for wildlife and the delicately balanced ecosystems we share. These efforts are made possible through the unwavering support of allies like you, which often comes to us through estate gifts.

Heritage Guild honors and thanks our friends who have included San Diego Zoo Wildlife Alliance in their estate plans. They've done so by naming us as a beneficiary in wills, living trusts, IRAs, and/or life-income gifts.

In addition to the distinction associated with being part of Heritage Guild, this honorary group offers special benefits:

- Commemorative certificate and pin
- Invitations to special events at the San Diego Zoo and San Diego Zoo Safari Park
- Annual subscription to the *San Diego Zoo Wildlife Alliance Journal*.
