

Legacy Giving

Ways to Give

Protect wildlife today, leave a legacy for tomorrow.

Have you considered combining a legacy gift with a current gift to increase your impact and achieve your goals? The following is designed to provide an overview of blended gifts—gifts that help you see the impact of giving today and ways to give that continue to save wildlife into the future.

Enjoy the benefits of giving today!

You could begin to see the impact of your giving today by making outright gifts of cash or property. Here are some options and benefits to consider:

- › **Cash gift**—Give cash and deduct the value of the gift in the year of the gift.
- › **Real property**—Avoid paying capital gains tax by gifting, not selling, your appreciated property.
- › **Investments such as stock**—Make a gift of highly appreciated stock for capital gains tax savings.
- › **Personal property, vehicles, and jewelry**—Transfer unneeded property to us and receive a tax deduction.
- › To learn more about creative ways that benefit you and our mission, please contact us at: donations@sdzwa.org or call us today at **(619) 557-3947**.

Empowering tools you can add to your other gifts this year.

Are you already making annual gifts to help us save and protect wildlife worldwide? Each of the following legacy gifts can be added to your annual gifts of cash or property this year to increase the impact of your giving, provide greater tax savings, preserve wealth for you and your family, and further our mission to save, protect, and care for wildlife. Here are some ideas for you to consider:
